DIRECTORS' REPORT

The directors present their annual report together with the audited financial statements of the company for the financial year ended 31 December 2020.

LEGAL STATUS

The Hunt Museum is a company limited by guarantee and not having share capital.

PRINCIPAL ACTIVITY, BUSINESS REVIEW AND FUTURE DEVELOPMENTS

The company operates a museum ("the Museum") in the Custom House in Limerick City. The Hunt Collection ("the Collection") is owned by the Hunt Museums' Trust, a company limited by guarantee not having a share capital. The Museum houses part of the Collection, which is a unique collection of original works of art and antiquities, ranging from the simple tools of the Neolithic hunter to drawings by Pablo Picasso, with a concentration on medieval works of European decorative art. The Company is responsible for managing, maintaining and controlling the Collection for exhibition, preservation and study purposes.

The directors do not anticipate a change in the company's activities in the foreseeable future.

RESULTS FOR THE FINANCIAL YEAR

The company recorded a surplus of €51,715 (2019: €Nil) for the financial year.

Thanks to additional help from the Department of Tourism, Arts, Culture, Gaeltacht & Sports, and use of the EWSS against salaries until September of 2020, the year ended with a positive balance of €25,953 before amounts transferred from the endowment fund. This despite closure for 6 months of the year. Costs were tightly controlled and there was a reduction in security costs, premises and cleaning costs. This offset the loss of admissions and giftshop revenues due to the closure. Rent rebates were given to the Café and Nevsail. The quid pro quo for the Café is agreement to renegotiate the existing lease to protect the museum in years to come.

Fundraising for the Hunt Museum in a Garden project was remarkably successful in the year, with the funds raised being matched by an additional \in 55,000 in matching funds from two donors. This will be drawn down in 2021 with the work on the garden having to be deferred due to Covid 19.

The remaining works linked to health and safety were carried out on the toilets, completing early in 2020 and some work on damp issues in the Education wing were commenced at the end of 2020.

Additional grant funding amounted to \le 162,000 for the year. The raise of \le 120,000 in operational funds from the Department has been added to the base operational amount for 2021. Some diversification of funds including from the EU, Failte Ireland and the Heritage Council was a positive step.

FINANCIAL RISK MANAGEMENT

The company's operations expose it to a variety of financial risks that include the effects of credit risk and liquidity. The company has in place a risk management programme that seeks to manage financial exposure of the company.

Given the size of the company, the directors have not delegated the responsibility of monitoring financial risk management to a sub-committee of the board. The policies are set by the board of directors and are implemented by the company's management. The team adheres to specific guidelines to manage interest rate risk, credit risk and liquidity risk.

Credit risk

This is closely monitored by the company directors to minimise this risk.

Liauidity risk

The company ensures it has sufficient liquid investments and deposits to ensure that it has sufficient available cash to enable it to meet payments when due.

DIRECTORS' REPORT - CONTINUED

FINANCIAL RISK MANAGEMENT - Continued

Going Concern

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis in preparing the annual financial statements. COVID-19 has caused disruption to businesses and economic activity which has been reflected in the market situation. The directors have considered the ongoing effects of COVID-19 and concluded that there is no impact on the going concern and viability of the company. Further details regarding the adoption of the going concern basis can be found in note 1 to the financial statements.

RISKS AND UNCERTAINTIES

There is a risk that the projected amounts of funding from grants and sponsorships are not forthcoming. This risk was partially addressed by the employment of a dedicated fundraiser, working on diversifying sources of income and the Board reviewed the position in its December meeting, concluding that a new reduced contract should be negotiated commensurate with the levels of grant and sponsorship income that was been gained.

EVENTS AFTER THE BALANCE SHEET DATE

In line with government restrictions, the Museum remained closed up to 10 May 2021 when it reopened. There have been no other significant events affecting the company since the financial year-end, other than those matters discussed in the principal activities and business review section of the Directors' report.

ACCOUNTING RECORDS

The measures that the directors have taken to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The books of account are maintained at The Custom House, Rutland Street, Limerick.

DISCLOSURE OF INFORMATION TO AUDITORS

So far as each of the directors in office at the date of approval of the financial statements is aware:

- There is no relevant audit information of which the company's auditors are unaware; and
- The directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 330 of the Companies Act 2014.

DIRECTORS' REPORT - CONTINUED

AUDITORS

The auditor, Deloitte Ireland LLP, Chartered Accountants and Statutory Audit Firm, continue in office in accordance with Section 383 (2) of the Companies Act, 2014.

Approved by the Board and signed on its behalf by

JOHN FIELD

JOHN FIELD

DIRECTOR

DONNACHA O'TREASAIGH
DONNACHA O'TREASAIGH

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the directors' report and the financial statements in accordance with the Companies Act 2014.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with FRS102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued by the Financial Reporting Council ("relevant financial reporting framework"). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the Company Financial Statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE HUNT MUSEUM (A COMPANY LIMITED BY GUARANTEE AND NOT HAVING A SHARE CAPITAL)

Report on the audit of the financial statements

Opinion on the financial statements of The Hunt Museum Limited (A Company Limited by Guarantee and not having a Share Capital) (the 'company')

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2020
 and of the surplus for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

The financial statements we have audited comprise:

- the Income Statement;
- the Statement of Comprehensive Income;
- the Balance Sheet:
- Cash Flow Statement
- the Statement of Changes in Equity; and
- the related notes 1 to 23, including a summary of significant accounting policies as set out in note 1.

The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council ("the relevant financial reporting framework").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Accounting and Auditing Supervisory Authority, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the Reports and Financial Statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Continued on next page/

Deloitte.

/Continued from the previous page

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE HUNT MUSEUM (A COMPANY LIMITED BY GUARANTEE AND NOT HAVING A SHARE CAPITAL)

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the entity (or where relevant, the group) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE HUNT MUSEUM (A COMPANY LIMITED BY GUARANTEE AND NOT HAVING A SHARE CAPITAL)

Report on other legal and regulatory requirements

Opinion on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements and the directors' report has been prepared in accordance with the Companies Act 2014.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

DONNACHA O'TREASAIGH

Date: 4 August 2021

JOHN FIELD

JOHN FIELD

_ DIRECTOR

NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

1. ACCOUNTING POLICIES

The significant accounting policies adopted by the company are as follows:

GENERAL INFORMATION AND BASIS OF ACCOUNTING

The Hunt Museum by Guarantee is a company incorporated in Ireland under the Companies Act 2014. The address of the registered office is The Custom House, Rutland Street, Limerick. The company registration number is 204519. The nature of the company's operations and its principal activities are set out in the directors' report on pages 3 to 5.

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2014 and Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of The Hunt Museum by Guarantee is considered to be euro because that is the currency of the primary economic environment in which the company operates.

These financial statements are separate financial statements.

TANGIBLE FIXED ASSETS

Tangible fixed assets are stated at cost, net of depreciation and any allowance for impairment. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line/reducing balance basis over its expected useful life, as follows:

Buildings and related fit out 20 – 50 years Interest in Rutland Street 20 years

Fixtures and fittings approximately 10 years

Computers 3 years

FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

NOTES TO THE FINANCIAL STATEMENTS – CONTINUED FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

1. ACCOUNTING POLICIES - CONTINUED

TAXATION

The Hunt Museum (formerly The Hunt Museum Limited) is a charity, which subject to the provisions of Sections 207, 609 and 266 of the Taxes Consolidation Act, 1997, is exempt from Income Tax, Capital Gains Tax and Deposit Income Retention Tax.

EMPLOYEE BENEFITS

The company provides a range of benefits to its employees. Short term employee benefits, including paid holiday arrangements and other similar non-monetary benefits, are recognised as an expense in the financial year in which employees render the related service.

RETIREMENT BENEFIT COSTS

Retirement benefits are funded over the relevant employee's period of service by way of contribution to an insured fund. Annual contributions are charged to the income and expenditure account in the period to which they relate.

GRANT INCOME

Grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the Company's accounting policies

The following are the critical judgements, apart from those involving estimations (which are dealt with separately below), that the directors have made in the process of applying the company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Going Concern

The principal risk relating to the company is the ability of the company to secure adequate funding from grants to provide services to the Limerick area and beyond. The directors take appropriate actions to secure funding on an annual basis. The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis in preparing the annual financial statements. The directors have considered the effects of COVID-19 and adjusted the budgeted income for the coming eighteen months to reflect these affects. The directors together with management have put together a plan to address these effects. The plan includes cutting cost where possible and availing of government supports where appropriate. These actions combined with the cash reserves will ensure the company can continue as a going concern.

Key sources of estimation uncertainty

There were no sources of estimation uncertainty during the preparation of the financial statements.

		401,698	452,566

Staff costs relate both to administrative and project related wages and salaries. The directors are not paid a remuneration.

6. EXPENDITURE

All the company's activities are for charitable purposes.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

7. DIRECTORS' REMUNERATION

Directors' remuneration is €Nil for both the current financial year and prior financial year. Therefore, all sections 305 and 306 Companies Act 2014 disclosures are €Nil for both the current and prior financial year.

8. TAXATION

There is no taxation liability for the financial year as the company has charitable status. The Hunt Museum by guarantee has a tax clearance certificate.
